Step 4: I would suggest leaving the first blue check box checked, so you will be notified of Sierra Photo events. But I would uncheck the second blue box, as to limit the amount of marketing emails from Eventbrite.

The screenshot shows the Eventbrite payment interface. At the top, there are two radio buttons: 'Apple Pay' (unselected) and 'Credit or debit card' (selected). To the right of the 'Credit or debit card' option is a card icon. Below this, there are three input fields: 'Card number *', 'Expiration Date *', and 'Security code *'. The 'Card number *' field contains '1234 1234 1234 1234' and has a red error message 'Please enter a card number.' below it. The 'Expiration Date *' field contains '08 / 24' and has a green checkmark. The 'Security code *' field contains '129' and has a green checkmark. To the right of these is a 'Zip code *' field containing '11104' with a green checkmark. At the bottom of the form is a blue button with a white speech bubble icon. A red arrow points from the top left to the 'Card number *' field. Another red arrow points from the top center to the 'Expiration Date *' field. A third red arrow points from the top center to the 'Security code *' field. A fourth red arrow points from the top right to the 'Zip code *' field. A fifth red arrow points from the bottom center to the 'Place Order' button.

Step 7 (Zoom only): On the day of the meeting, give yourself extra time to get the zoom link set up. You will receive an email, with the subject similar to “Reminder for Sierra Photo NYC Meeting” one day before, two hours before, and ten minutes before the meeting. Click on the “Join Event Button” You may then need to log into the Eventbrite account to get access to the zoom link. Then you may also need to log into Zoom, if you haven’t saved the log in information into your computer prior.
